

Title:	
Short Description:	

Org ID:	
Username:	
Password:	
Is 2FA enabled?	
Video destination	Help topic, in-app, Trailhead, devdoc
Slack channel	[Video team will add] #cx-video-
Stakeholders	List all stakeholders who will be part of the final approval (writers, PMs). All stakeholders should be added to the Slack channel
Project #	[Video team will add]

Production can't start until these steps have been taken:

- ☐ Your script has completed the video team's editorial review
 - ☐ Check your script with these [Top 12 Tips for Successful Video Scripts](#).
 - ☐ Submit your script and an editor will review
 - ☐ Respond and resolve editorial comments when tagged in the script
- ☐ Action On Screen Column has Accurate and clear instructions
- ☐ Your Test Org is Functional and has presentable data
- ☐ Final Title and Short Description filled out
- ☐ All stakeholders have given feedback on the script

The video team requires an org to film. If this isn't possible, please check with the video team to come up with alternative solutions.
